

Kevin Joseph, MD

Senior Vice President of Quality Chief Medical Officer

Kevin Joseph, MD, MBA, is the system Chief Medical Officer and a Senior Vice-President for TriHealth. Dr. Joseph joined TriHealth in January 2017 as the System Chief Quality Officer. Dr. Joseph is responsible for the development of programs and processes to improve the quality and safety of the care delivered at TriHealth's six different hospitals and approximately 140 practice locations.

As a lifelong student, Dr. Joseph has obtained three bachelor degrees in Biomedical Engineering, Materials Science, and Psychology from the Johns Hopkins University. He later graduated from the Vanderbilt School of Medicine where he was the president of the medical student body and a member of the Alpha Omega Alpha honor society. Dr. Joseph later completed his residency at the University of Cincinnati as a chief resident prior to earning a Master's degree in business administration through the University of Massachusetts Isenberg School of Management.

Dr. Joseph is a member of the American College of Physician Executives, American College of Healthcare Executives, and the American College of Emergency Physicians. His free time is happily occupied watching his two children play sports and family trips to snow and water ski.
