

Rebecca Baute, MBA, BSN, RN, CMTE

Vice President, Chief Nursing Officer Bethesda North Region

Becky Baute currently serves as the Vice President & Chief Nursing Officer of the Bethesda North region for TriHealth. Becky began this role in February of 2020 and jumped right in to support our COVID-19 response plans. Becky is responsible for overseeing and coordinating nursing operations in the Bethesda North region and works to align nursing with the mission, vision and values of TriHealth. Becky ensures our team members are empowered and have the tools and resources necessary to provide safe, quality, patient- and family-centric care. She is leading our throughput efforts and is strengthening our shared leadership governance within nursing.

Becky returned to Cincinnati after a few years in Columbia, South Carolina serving as the Nurse Executive for Prisma Health Richland. As the Nurse Executive, Becky oversaw the coordination and integration of many nursing services, including their Heart Hospital, Children's Hospital, Level 1

trauma center and perinatal center as well as matrix responsibility for ambulatory, radiology, endoscopy, perioperative services and behavioral care. Throughout her time there, she demonstrated vision and strategy through execution of Prisma Health's purpose, cultivating a culture of engagement, development, recognition and continued learning.

Prior to Prisma Health, Becky worked at Cincinnati Children's Hospital Medical Center as Assistant Vice President, ED, Critical Care and Ambulatory Administration, Patient Services and earlier as the Senior Clinical Director, Neonatal and Pediatric Mobile Intensive Care Unit. During that time, she also served as the chair of the Ohio Medical Transportation Board and Vice Chair of the Ohio EMS board. Becky graduated with her Bachelor of Science in Nursing from the University of Cincinnati and completed her Master of Business Administration at Thomas More College.

Serving as a nurse for more than 30 years, Becky continues to show immense passion for nursing and is a true advocate for the profession.
