

Terri Hanlon - Bremer, MSN, RN **Chief Operating Officer** **TriHealth Corporate Health**

Terri Hanlon-Bremer is the COO of TriHealth Corporate Health and has been since April, 2011. Prior to assuming the role of COO, Terri was the Director of Operations for TriHealth Corporate Health and also had managerial responsibility for TriHealth Employee Health, Workers Compensation, Absence Management, and Diabetes Education. Corporate Health is the division of TriHealth dedicated to helping employers, employees, and dependents be safe, healthy, and productive.

Over the past ten years, Terri has been an integral part of the cross-functional Employee Health Plan Committee, and now co-leads this team in concert with TriHealth Human Resources. TriHealth's

Employee Health Plan Committee provides structured guidance for population health management and clinical/ wellness programs for the covered lives on TriHealth's medical plans while aligning its work with TriHealth's Total Rewards Strategy. Additionally, she extends her expertise by consulting and overseeing Corporate Health's service delivery and providing strategic insights to employers regarding population health management, program innovation, and trends within the health and productivity realm.

Terri is a registered nurse with a Master's Degree in Nursing Administration with 30 years of experience in the health care industry. She serves as the Chairperson for the Ohio American Diabetes Association Community Leadership Board and is active in women's mentoring programs that help support and lift up women facing challenges.
