

No Visitors Admitted

Thank you for your understanding and assistance
to keep everyone safe!

COVID19 Visitor Restrictions in Place Effective March 25, 2020 at 8am

- NO VISITORS will be admitted into any clinical setting with the following exceptions:
 - A patient nearing end of life may have visitors
 - A patient delivering a baby (sibling restrictions in place) a single visitor (a doula counts as a visitor)
 - All visitors must be recorded in the COVID-19 Command Center
- For the allowed exceptions, these rules apply:
 - **No visitors who have traveled in the last 14 days to the following locations will be admitted:**
 - Any international destination
 - New York State
 - Washington State
 - No one with symptoms of COVID allowed in patient care areas (fever, cough, respiratory symptoms)
 - All visitors must check in at nurse's stations and use hand sanitizer upon entry of the patient care area
 - No minors are allowed inside the hospital
