

TriHealth...providing patient-focused care for one in three Greater Cincinnatians

A large integrated, innovative health system, **TriHealth** was formed in 1995 as a partnership between Good Samaritan and Bethesda Hospitals and has grown to encompass more than 130 sites of care throughout Greater Cincinnati together with sites in Hamilton and Oxford, Ohio, and in Brookville, Indiana.

Our award-winning system of care offers the full-spectrum of health services including but not limited to:

- Two tertiary hospitals (Bethesda North and Good Samaritan)
- Three surgical hospitals (TriHealth Evendale in Cincinnati, Bethesda Butler in Hamilton and McCullough-Hyde Memorial in Oxford)
- Two surgery centers (Bethesda Surgery Center and TriHealth Surgery Center West)
- Three full-service ambulatory centers, (Bethesda Arrow Springs, Good Samaritan Western Ridge and a new state-of-the-art facility opening in Finneytown/Springfield Township in 2023)
- Multi-specialty medical group practice (Group Health)
- Primary care locations within a 10-minute drive of 75% of the Greater Cincinnati population, many of which are recognized locally and nationally as Patient-Centered Medical Home practices
- Priority Care, walk-in urgent care sites set up as an extension of primary care
- TriHealth physician institutes and services in the following areas of care:
 - Cancer
 - Cardiology
 - Digestive
 - Primary Care
 - Neurosciences
 - Orthopedic/Sports
 - Surgical Institute
 - Women's Services
- Occupational Medicine
- Area's largest non-profit hospice care (Hospice of Cincinnati)
- Significant Corporate Health business
- Fitness & Health Pavilion, Ohio's first certified medical fitness facility recognized by the Medical Fitness Association

TriHealth is active in undergraduate medical education, accredited in graduate medical education, and committed to a curriculum of teaching and research that is innovative, applicable to practice, and responsive to community needs.
