Greater Cincinnati is a generous community, always answering the call for help when asked to do so. If you are thinking of giving back to the community, consider contributing to Good Samaritan Hospital, an organization that has been dedicated to compassionate care in our community since 1852.

When you become a member of Good Samaritan Hospital's Legacy Society Family, you are expressing your long-term commitment to Good Samaritan Hospital. Your contribution will be used well into the future to maintain and enhance Good Samaritan Hospital's mission to improve the health status of the people we serve.

For more information about including a charitable bequest in your will, contact the Good Samaritan Hospital Foundation at 513 862 3786.

Consider a Gift That Supports Good Samaritan Hospital

Ask almost anyone in Cincinnati where he or she was born, or where his or her child was born and you'll likely hear Good Samaritan Hospital. Ask where you can receive the most innovative heart care, skilled surgeons that specialize in unique procedures, or the latest in medical education and research—and the answer is Good Samaritan Hospital.

With your charitable gifts, the Good Samaritan Hospital Foundation supports Good Samaritan Hospital.

For more information on how to join our Good Samaritan Hospital Legacy Society Family, please call the Good Samaritan Foundation at 513 862 3786.

What You Should Know

You can make a legacy gift to charity. Whether you think of yourself as rich or poor, or somewhere in between, your gift can make a difference. Even a small amount can have a big impact over time.

Some people think they must choose between leaving a gift to their family or their favorite charity. You can do both, and some charitable gifts may actually save your family money by decreasing inheritance taxes. More importantly, you are setting an example on the importance of doing what you can for others and those causes that are most important to you.

You Can Create Your Legacy Today

A bequest is the easiest, most tangible way to create a lasting legacy. A bequest is a gift made through your will. There are several ways to make a bequest:

- A specific dollar amount
- A percentage of your estate
- A specific asset
- The residue of your estate

Other ways include:

- Make your favorite charity a beneficiary of your life insurance, pension plan or IRA
- Establish a charitable gift annuity and create a steady stream of income for yourself and/or others

Membership Form

Name

Address

City

State Zip
