

Charitable giving is an important tradition for many individuals. Honoring a loved one through charitable gifts is an especially meaningful way to pay tribute to someone special - that's why the Good Samaritan Foundation established the Tribute Society. The Tribute Society is a special way to permanently honor or remember a loved one.

Your tribute gift to Good Samaritan Foundation helps to meet the immediate and ongoing needs of Good Samaritan Hospital, its patients, and their families. Tribute gifts have helped to expand and improve our Neonatal Intensive Care Unit, Cancer Institute, Surgical Institute, Women's Services, Neuroscience Institute, Good Samaritan College of Nursing and Health Science, Medical Education, Free Health Center, and much more.

If you would like more information on tribute gifts, please call Good Samaritan Foundation at 513 862 3786 or email gshfoundation@trihealth.com.

The Tribute Society

Benefiting the patients,
programs and services of
Good Samaritan Hospital

How to become a Tribute Society Member

An individual qualifies for membership in the Tribute Society when cumulative gifts of \$2,000 or more are made in their name to Good Samaritan Foundation, which includes gifts to the Good Samaritan Free Health Center and College of Nursing and Health Science.

Your contribution will go toward the Good Samaritan Greatest Needs Fund unless otherwise designated.

When you make a tribute gift to Good Samaritan Foundation, you will receive an acknowledgment of your contribution. Notification is sent promptly to the person or family you designate; the gift amount is not mentioned.

Special Occasions

How better to honor a loved one and celebrate a significant occasion than by supporting the work of Good Samaritan Hospital? A gift may be made in honor of a loving family member, treasured friend, valued colleague or compassionate caregiver for the following:

- Birthday
- Anniversary
- Wedding
- Graduation
- Reunion
- Holiday
- Mother's Day
- Father's Day
- Retirement
- The birth of a child or grandchild
- Recovery from an illness
- Anytime you wish to express how much you care or simply say "thank you"

Remember, special occasions also provide a meaningful opportunity to honor the memory of someone dear.

Memorials

Compassionate care is the hallmark of Good Samaritan Hospital. For this reason, Good Samaritan is blessed throughout the year with a very special recognition provided by the family members of patients, team members, graduates, and friends. By designating Good Samaritan Hospital as the beneficiary of memorial gifts in lieu of flowers, family members express their desire to ensure compassionate care that will last a lifetime. The family takes comfort in knowing that these special remembrances reflect their loved one's generous spirit and concern for others.

Consider the Opportunities

GIFTS OF CASH

The most popular methods of tribute giving are gifts of cash and checks or made online. These gifts are convenient and tax deductible.

OTHER PROPERTY

Assets such as stocks, bonds and mutual funds are another popular means of funding tribute gifts. By giving appreciated assets, you will receive the regular charitable tax deduction and the additional benefit of avoiding capital gains.

ENDOWMENT GIFTS

Named endowments and scholarship funds are a powerful way to create a lasting legacy for someone that is important to you. At Good Samaritan, endowments can be established by contacting the Foundation.

LEGACY GIFTS

Planned giving provides a thoughtful way to make tribute gifts in honor or memory of others. Gifts can be made through a person's will, a trust, insurance policy, retirement plan or gift annuity arrangement.
