### \* Financing through CareCredit

Special financing options for treatments may be arranged through CareCredit. Monthly payments with financing are based on 6 months for charges \$100-499 and 12 months for charges above \$499. Lower monthly payments may be available for patients who qualify for lower rates. These payments are only an estimate and may vary widely based on your credit and finance plan. For more information, please see [carecredit.com](http://carecredit.com).
