

Improve Your Skills in the Simulation Center + CME Credit!

To schedule, call 513-865-1415 or email us at Simulation_Center@Trihealth.com.

You spoke, TriHealth's Center for Simulation & Education listened! Starting immediately, the Simulation Center at Bethesda North Hospital will be offering additional training to physician team members to aid in refreshing skills, both those neglected and those needing a more thorough review. The skills most frequently requested for additional training include:

Respiratory Care:

Advanced Airway Management
Chest Tube Insertions
Cricothyrotomy
Thoracentesis

Pharmacological Care:

Intraosseous Infusions
Central Line Placements

Cardiac Care:

EKG Interpretations
Pacemaker Implantations

Other:

Ultrasonography
Laparoscopy
Teamwork/Communication

Training sessions will be facilitated, one-on-one, with a Simulation Center educator and completed at a pace that fits the need of the requesting physician. Our task trainers will be available for use and tailored to the objectives requested. CME credit may also be issued for specific content covered during the session.

The vision of the TriHealth Center for Simulation & Education is to be recognized as a resource for improving healthcare services, to create a place where team members can learn in a safe and dynamic environment, and to support the community in which we serve. We're eager to help serve the physicians that make TriHealth one of the top 15 U.S. health systems in the nation!

TriHealth is accredited by the Ohio State Medical Association (OSMA) to provide continuing medical education for physicians.

TriHealth designates this live activity for a maximum of up to 4.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
