

TriHealth Neuroscience Conference: "Stroke Care Today & Tomorrow" May 5, 2023 | Speaker Details

Karen French, PT, DPT

Karen French is a Physical Therapist at Trihealth Rehabilitation Hospital in Cincinnati, OH. She graduated from University of Louisville with Bachelor degrees in Biology and Psychology and went on to earn her Doctorate of Physical Therapy from University of Cincinnati in 2014. Karen has been a practicing clinician for 8 years. She is Level 2 Certified for EksoNR robotic exoskeleton and has been an APTA Credentialed Clinical Instructor since 2018. Karen is the Staff Champion for the Amputee Program at Trihealth Rehabilitation. She is passionate about the field of physical therapy with specific interest in neurological rehabilitation following stroke and amputee care/recovery. In addition to working in inpatient rehab, Karen enjoys participating in 1K Steps for Stroke for the American Heart Mini Race events, attending Cincinnati Reds Strikeout Stroke games, and playing various recreational sports in the Greater Cincinnati Area.
